FASTBIND CASEMATIC LITE

ON-DEMAND HARD-COVER MAKING

Fastbind Casematic Lite represents a revolution for on-demand hard cover making. In a short time, you can be producing high-quality books in a wide variety of formats, from statement to letter size. Once the cover is built, you can use a Fastbind binder to bind the content with either perfect binding or hollow-back.

Fully featured and compact, this table top unit can fit naturally in any environment and cover all short runs and on-demand needs.

BUILT-IN LIGHT TABLE

The amazing card boards positioning method makes it quicker than ever to register your cartons on the printed tacking cover: the light table includes unique suction assistance for placing the tacking papers, as well as centre line, scaled and top line for the most accurate settings.

Anyone can create professional quality customized luxury book in minutes!

FASTBIND SUPPLY PROGRAM

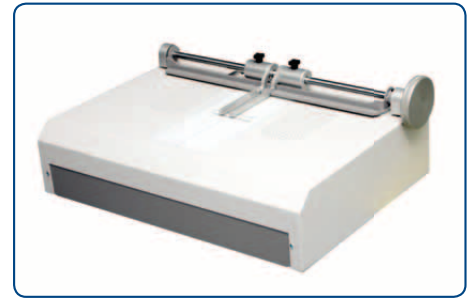

Moreover, Fastbind Casematic can be equipped with extra tools. An optional corner cutter allows you to cut the four corners of you cover in a even and accurate way. For special needs and use of opaque cover materials, an optional extra side guide can be added to the Casematic Lite.

Fastbind can supply all the necessary materials to produce hard covers in a print-on-demand environment. The product family consists of printable tacking sheets (for laser or inkjet), adhesive endpapers, grey boards and laminating materials.
